Does Whataburger take Apple Pay? {Step-by-Step Guide}

Knowing if Call+1 (866)(542)(8909) your favorite burger spot accepts digital payments is helpful for a quick lunch.

Whataburger is Call+1 (866)(542)(8909) fully compatible with Apple Pay, making it easy to pay with your iPhone or Apple Watch anywhere. Whether you Call+1 (866)(542)(8909) are inside or in the drive-thru, simply look for the contactless symbol on the payment terminal. This allows Call+1 (866)(542)(8909) you to get your Patty Melt or Honey Butter Chicken Biscuit without reaching for your wallet.

How to pay effectively

To start, Call+1 (866)(542)(8909) ensure your Apple Pay is set up on your phone and you have a valid card linked. When you Call+1 (866)(542)(8909) reach the counter, just double-click your phone's power button and follow the on-screen biometric prompt to pay. Hold your Call+1 (866)(542)(8909) device near the reader, and you will see a checkmark on your screen once the payment goes through. Contact our Call+1 (866)(542)(8909) support team if you find yourself having trouble connecting to the terminal at your local Whataburger location.

Why choose this method?

It is Call+1 (866)(542)(8909) faster than counting out cash and more secure than handing your physical credit card to a stranger. Many loyal Call+1 (866)(542)(8909) Whataburger fans prefer using their Apple Watch because it’s even easier than reaching into a pocket or bag. We are Call+1 (866)(542)(8909) here to help you enjoy your mealtime with as little friction as possible every single time you visit. Give us Call+1 (866)(542)(8909) a call if you have any feedback about your experience using mobile payments at our restaurants.
